Voices of Hope Academic Scholarship Donors

Thank you for your interest in the Southeastern Brain Tumor Foundation's *Voices of Hope Academic Scholarship*. Since the inception of this program in 2019, the SBTF has awarded 29 scholarships totaling \$66,500.

The Southeastern Brain Tumor Foundation (SBTF), founded in 1995, operates as a 501(c)3 not for profit organization and a public charity. Unified by the words "you have a brain tumor", our Board members and staff work diligently to provide Support, Hope and encouragement to those who are united by the same words. Some of us are brain tumor patient survivors, others of us are patient caregivers, and others of us live with the pain of having lost a family member to brain cancer. We provide funding for brain tumor research and other support programs through our issuance of research and educational grants. Our primary mission is to improve the quality of life for brain tumor patients and their families and advance the discovery of curative treatments. Read more at sbtf.org

The purpose behind our *Voices of Hope Academic Scholarship* is: To provide an individual who has been directly impacted by their own brain tumor diagnosis or the diagnosis of another individual, the opportunity to pursue a post-secondary education at an accredited College, University, or Technical school. Student applicants may be enrolled in on-line and/or F2F/person-to-person classes.

Voices of Hope Academic Scholarships are made possible through the generosity of donors, like yourself. Donations may be made to the general *Voices of Hope* scholarship fund or donors have the opportunity to fund a named *Voices of Hope Academic Scholarship*, in honor or in memory of an individual(s) impacted by a brain tumor diagnosis.
